

# USER INTERVIEW

Alma Mater Studiorum – University of Bologna

## Registration consent release

**Thank you for your participation in our interview for the GoSafe project.** This document is intended to inform you that we will record your session for the benefit of the members of the research group who cannot be present and to review the information during the analysis. We will benefit enormously from your feedback. However, if you do not feel comfortable, you can interrupt the interview session at any time.

**Please read the following declaration and sign it. Thank you.**

- 
- I consent to the audio recording that will be performed on **18.10.25** during the interview.

I authorize the research team to use these recordings solely for research purposes and I retain my right to review and inspect the recordings prior to their use.

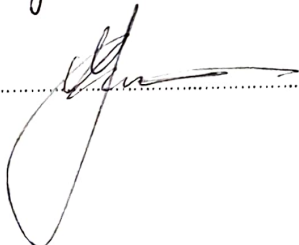

Date

18.10.2025

## **Information on the processing of personal data pursuant to art. 13 of Regulation (EU) 2016/679.**

### **Data Controller**

Alma Mater Studiorum – University of Bologna

[privacy@unibo.it](mailto:privacy@unibo.it)

### **Supervisory Authority**

for the protection of personal data

E-mail address: [garante@gdpd.it](mailto:garante@gdpd.it)

PEC address: [protocollo@pec.gdpd.it](mailto:protocollo@pec.gdpd.it)

Website: <https://www.garanteprivacy.it/>

### **Purpose and legal basis of data processing**

The data of the participants in the interview are collected and processed exclusively to allow the Data Controller to carry out the activities related to the interview.

The legal basis for the processing of personal data is the consent of the data subject.

Data subjects must give their consent to the processing of personal data by Alma Mater Studiorum – University of Bologna. All the data requested are mandatory and, in the absence of their provision or in the absence of consent, Alma Mater Studiorum – University of Bologna will not allow participation in the interview.

### **Categories of data recipients**

The Data Controller will autonomously process personal data through its own appointed staff.

### **Place of data processing**

Personal data are processed at the Data Controller's headquarters.

No personal data will be transferred to third-rate countries or international organisations.

### **Methods of data processing**

The Data Controller processes the personal data of participants by adopting the appropriate security measures aimed at preventing access, disclosure, modification or destruction of personal data, if not authorized. The processing is also carried out using IT and/or telematic tools, with organisational methods and technical measures appropriate to guarantee its security. Personal data are processed solely for the purpose of allowing participation in the interview: the data collected, which will be used for statistical and/or research purposes, will be made anonymous to prevent the identification of the participant.

### **Data retention period**

The personal data collected for the interview will be deleted one year after the date of the interview.

### **Rights of the data subjects**

Participants have the right to obtain from the Data Controller access to their personal data, updating, integration, correction or deletion of the same, the limitation of processing and the right to object to the same, to request the transformation of data into anonymous form or the blocking of data processed in violation of the law, including those whose retention is not necessary in relation to the purposes of the processing.

Participants have the right to withdraw their consent at any time, without affecting the lawfulness of the processing based on the consent given before the withdrawal.

Requests should be addressed to the Data Controller; data subjects may also contact the Data Protection Officer for all questions relating to the processing of their personal data.

It is the right of the data subjects to lodge a complaint with the Guarantor for the protection of personal data.

The Data Controller guarantees that there is no form of automated decision-making process

that involves legal effects for the data subject.

Having read and understood the above information, I consent to the processing of my personal data pursuant to art. 13 of Regulation (EU) 2016/679.
